2. All nominations must be in writing and must be specific as to reasons why this member should be considered for this award.
3. Judging will be based on nominee's humanitarian efforts and community and civic involvement, not real estate production or board participation.
4. Only current year activities will be considered.
5. Award will be presented at the annual Holiday Social held in December.

Nominee's Name: _____

Company: _____

Please use space below to describe why this member should be considered for this award (Humanitarian efforts, community and civic involvement, school activities, charity work, etc). Use additional pages, if necessary.

Our members do many benevolent acts in the community and for each other. The Silver Box Award was begun nationally because we so often fail to recognize the good deeds done in our community by others. The Awards Committee would like to receive at least one nomination from each member office. Please make sure your nomination gets in.
